

AV RACKS

Our **AV Racks** enhance the audio visual performance of your AV components by isolating them from unwanted vibrations and feedback.

WWW.SUDPI.COM

WELCOME TO OUR COMPANY

AV Racks are there to organize all of your IT equipment into standardized assemblies which make more efficient use of space. Enclosure used to house a variety of Audio Visual, Home Automation and Unified Communication equipment such as Digital Matrix switches, amps, players and other devices . Most electronic devices need something to protect them and help them last longer. Similar to your phone, your amplifier and wires connected to your speakers need an enclosure to protect them too.
